

JANUARY NEWSLETTER

NOOR ACADEMY OF ARIZONA

SPECIAL GUEST AT NOOR ACADEMY!

Dr. Shaimaa El Gendy, a dedicated pharmacist, shared her inspiring journey in the Medical Field with our 6th, 7th and 8th Graders. Students learned the important role pharmacists play in the health care through implementing hands on activities and group discussions.

IMPORTANT

MESSAGE TO OUR COMMUNITY FROM: GREATER AZ, INC

Dear ICC Community,

As-salamu 'alaykum. We are excited to share a unique opportunity that allows you to support Islamic education—at absolutely NO COST to you!

Here's how it works:

The state of Arizona offers a dollar-for-dollar tax credit for donations made to school tuition organizations. This means every dollar you contribute will be refunded to you in your tax return, allowing you to direct your tax dollars toward a cause you care about and choose where your tax dollars go.

Why contribute to Greater Arizona?

When you choose to donate to Greater Arizona, you are directly supporting Muslim students with scholarships. More importantly, you're ensuring that your tax dollars stay within our community, empowering us to strengthen Islamic education and build a brighter future.

The best part?

It costs you nothing. This is money you would already pay to the government—but through

Arizona's unique tax-credit program, you get to decide how it's used.

Take action today!

Make your contribution and encourage your friends and family to do the same. Together, we can send a powerful message: that our community is committed to taking charge of its resources and investing in our children's future.
